Calculators

MOST IMPORTANTLY, WE'RE IN NEED OF VOLUNTEERS!

Our Homework Centre runs from 2-4:30pm, and we're in dire need of volunteers to assist the children in their homework duties throughout this time of the day. The school that we support with this initiative is Klopperpark Primary, so the educational knowledge required would not be more than grade 7 material. To find out more information, offer your time, or make a donation, please email us at
